Sounds like a plan. Thanks.

I just spoke to Mike and told him that you will draft a CA UIC status in the morning and we can provide that to Jared.

Both you and Mike are available at 2 pm tomorrow so that is the time that I told Bill would work best for an interview – assuming that Jared wants you in the room for it.

Bill – is there any way that you can get specific questions that Ellen wants to ask Jared?

Thanks, Bill. It's an aspect of the issue of California's compliance with the safe drinking water act when it comes to oilfield UIC injection wells. Talking to Jared on it would be really helpful, and definitely something we need to seek comment on.

Best,

Ellen

Hi, Bill – I have a story coming up on California UIC wells that I need EPA comment on. Would it be possible to talk briefly to Jared for that on Tuesday afternoon?

Best,

Ellen
